**PUBLIC ANNOUNCEMENT INVITING APPLICATIONS WITHIN TWO MONTHS UNDER
“POLICY FOR DEVELOPMENT OF SMALL SCALE DISTRIBUTED SOLAR PROJECTS -
2019”**

GUVNL is pleased to invite applications within two months from eligible entities i.e. any individual, company or body corporate or association or body of individuals, co-operative society of individuals / farmers or artificial juridical persons for setting up small scale solar projects of 0.5 – 4 MW capacity for supplying power to GUVNL / DISCOMs by signing PPAs under Government of Gujarat’s “Policy for Development of Small Scale Distributed Solar Projects -2019” dated 06.03.2019. The projects to be set up under this policy shall be governed by the detailed guidelines issued by State Government vide GR dated 15.11.2019.

The Small Scale Solar project developer shall be eligible for additional 20 paisa / unit over and above the average tariff discovered in the competitive bidding process for large scale solar projects conducted by GUVNL under the PPAs to be signed with DISCOMs / GUVNL in accordance with the policy. Accordingly, the applicable tariff for PPAs to be signed from 1st Oct 2020 to 31st March 2021 shall be Rs 2.83 / unit (i.e. tariff of Rs 2.63 / unit discovered under competitive bidding for large scale projects plus addition of Rs 0.20 / unit).

Applicant shall have to submit the application to corporate office of Local DISCOM within two months and the connectivity to be granted by DISCOMs to the applicants shall be on first come first serve basis.

The time duration applicable for commissioning of project under the policy is 12 months from the date of signing of PPA. The tariff mentioned in the PPA shall be fixed for the entire duration of 25 years from Commercial Operation Date of the project.
